REMARKS

Applicants filed a Petition for the Acceptance of Unintentionally Delayed Claim for Priority Under 37 C.F.R. 1.78 on February 14, 2004. The petition was submitted with an Amendment to the application to add a claim of priority to Provisional Application Serial No. 60/448,815, filed February 21, 2003.

The petition was dismissed on June 16, 2005. The decision stated that the petition was dismissed because the Amendment was not acceptable because it improperly incorporates by reference the prior-filed application.

This is a Renewed Petition under 37 C.F.R. 1.137(b) requesting reconsideration of the previously filed petition and the substitute Amendment which deletes the incorporation by reference statement. Applicants enclose a Credit Card Payment Form and request that the petition fee of \$1,370 be charged to the credit card, instead of to Deposit Account 07-0862, as previously requested.

If there are any questions, the Petitions Examiner is requested to contact Applicants' attorney.

Respectfully submitted:  
ROBERT W. VENDERBOSCH ET AL.
